

The Upper Saddle River Historical Society

The New Revised Edition of

THE LORE OF UPPER SADDLE RIVER

by William N. Yeomans

\$35 per copy for local residents (free delivery)

It has been 25 years since *The Lore of Upper Saddle River* was published. A lot has happened since then. New stories and lots of new photos have been discovered — and the printing industry has changed, allowing the use of color throughout the book.

The book has a whole new design — much like a scrapbook. Photos of people, objects and ephemera bring you back to times past and make history come alive.

The book is 176 pages, hard-bound with a soft-touch cover. It makes a great gift!
